

### LIMITED ENROLLMENT

NATIONAL KICKING CHAMPIONSHIP is innovatively designed to provide each athlete "center stage" attention for video filming and for everyone at the event to see. This format dramatically limits field space - and creates the need to limit participation. So sign up now! It is expected to sell-out very early.

### COMPETE MORE THAN ONCE

Kickers, Punters, and Long Snappers can participate at any - one, two - or all 3 of the Championship competition sites to establish or improve their score! Individual winners will be recognized at each site with the overall National Kicking, Punting, and Long Snapping Champions being announced in Bradenton, Florida on December 19th, 2010.

### CHAMPIONSHIP DIVISIONS
